3.6 The Authorised User shall maintain the security of its allocated security user name and password and will not disclose such to any third party for any purpose other than in accordance with these Conditions. 3.9.2 at your request, the Service is provided at greater expense by reason of the type of materials used, the duration or the manner of installation, than we normally incur,

then we may in addition to the Charges set out in this Agreement, determine a supplementary rate of connection or rental charge or both to be payable in relation to the relevant Service.

3.10 We will inform you by notice in writing of such supplementary charges and you may, in a case where Clause 3.9.1 applies:

3.10.2 if you are a Business Customer, within 7 days of the date of our notice, cancel the Service by written notice to us stating the reason for the termination in accordance with the notice process set out in Clause 15.

3.11 A rate of rental or other charge determined under Clause 3.9 may be in addition to or instead of any applicable Charges for Service set out in this Agreement.

3.12 If we carry out work in response to a fault in the Service reported by you and following such work we determine that (i) there is no fault found in the Service or (ii) the fault was due to your act or omission, then we shall be entitled to charge you for any such work carried out.

3.13 Save in the case of demonstrable error all charges in relation to Clause 3.12 shall be calculated in accordance with data recorded or logged by, or on our behalf.
